**Subject: Copeland Brothers Electric
Letter of Recommendation**

To Whom It May Concern:

Please accept this letter of recommendation for Copeland Brothers Electric of Clinton, TN. Copeland Brothers Electric performed over \$1,000,000.00 of electrical work on our recent TravelCenters of America project in Pioneer, TN. Led by Joe Copeland, Copeland Brothers Electric completed their work professionally and they were instrumental in keeping this large, multi-phased project on schedule. His crew performed quality work on time and within budget. They went above and beyond to ensure that we were satisfied and helped Deerfield Construction Co., Inc. turn over a quality facility to the Owner.

I would highly recommend Joe Copeland and Copeland Brothers Electric and sincerely hope to work with them again in the future.

Should you have any questions please feel free to contact me at 513-984-4096 or by email at steve.taylor@deerfield1.com.
